## Technical Data Sheet

# MM-Sets

### Product description:

Important PolymerMetals (MM-metal SS-steelceramic, MM-metal oL-steelceramic, MM-metal UW & Ceramium) have been combined together with numerous accessories in one universal MM-Basic Set to solve versatile repair problems.

Four special PolymerMetals are also available with useful accessories in separate MM-Sets each, to offer optimum help at repairs in product-typical application fields.

### Order information

No.	Product	Unit
802	MM-Basic Set	1 pc
803	MM-Set SS	1 pc
804	MM-Set oL	1 pc
805	MM-Set UW	1 pc
806	MM-Set VP 10-500	1 pc

### #802 MM-Basic Set

universal repair set to solve all sorts of repair problems

1x	<b>MM-metal SS-steelceramic, paste</b>	<b>1000 g</b>
1x	<b>MM-metal oL-steelceramic, paste</b>	<b>500 g</b>
1x	<b>MM-metal UW, powdery</b>	<b>500 g</b>
1x	<b>Ceramium, liquid</b>	<b>695 g</b>
1x	Hardener red, paste	100 g
1x	Hardener yellow, paste	50 g
1x	Hardener yellow, paste	25 g
1x	Hardener UW3, liquid	125 g
1x	Hardener UW9, liquid	125 g
1x	Hardener CE, liquid	55 g
1x	MM-Degreaser C, liquid	250 ml
1x	MM-Release agent, liquid	100 ml
5x	Measuring cup	pc
1x	Measuring spoon red	set
1x	Measuring spoon yellow	set
5x	Mixing cup	pc
3x	Mixing stick (stainless steel)	pc
1x	Mixing plate (synthetic material)	20 x 12 cm
1x	Fabric tape (stainless steel)	100 x 10 cm
1x	Fabric tape (glass fibre)	1000 x 5 cm
5x	Gloves (one-way)	set
1x	Instructions (laminated)	pc
1x	Case	pc

### #803 MM-Set SS

for repairs of all kind of metals and alloys

1x	<b>MM-metal SS-steelceramic, paste</b>	<b>1000 g</b>
1x	Hardener red, paste	100 g
1x	Hardener yellow, paste	50 g
1x	MM-Degreaser C, liquid	250 ml
1x	Measuring spoon red	set
1x	Measuring spoon yellow	set
3x	Mixing cup	pc
1x	Mixing stick (stainless steel)	pc
1x	Mixing plate (synthetic material)	20 x 12 cm
1x	Fabric tape (glass fibre)	1000 x 5 cm
1x	Fabric tape (stainless steel)	30 x 10 cm
3x	Gloves (one-way)	set
1x	Instructions (laminated)	pc
1x	Box	pc

### #804 MM-Set oL

for applications on oily, greasy or fuel contaminated metals

1x	<b>MM-metal oL-steelceramic, paste</b>	<b>1000 g</b>
1x	Hardener red, paste	100 g
1x	Hardener yellow, paste	50 g
1x	Measuring spoon red	set
1x	Measuring spoon yellow	set
3x	Mixing cup	pc
1x	Mixing stick (stainless steel)	pc
1x	Mixing plate (synthetic material)	20 x 12 cm
1x	Fabric tape (glass fibre)	1000 x 5 cm
1x	Fabric tape (stainless steel)	30 x 10 cm
3x	Gloves (one-way)	set
1x	Instructions (laminated)	pc
1x	Box	pc

### #805 MM-Set UW

for applications under water or on wet surfaces

1x	<b>MM-metal UW, powdery</b>	<b>1000 g</b>
1x	Hardener UW3, liquid	250 g
1x	Hardener UW9, liquid	250 g
3x	Measuring cup	pc
3x	Mixing cup	pc
1x	Mixing stick (stainless steel)	pc
1x	Mixing plate (synthetic material)	20 x 12 cm
1x	Fabric tape (glass fibre)	1000 x 5 cm
1x	Fabric tape (stainless steel)	30 x 10 cm
3x	Gloves (one-way)	set
1x	Instructions (laminated)	pc
1x	Box	pc

### #806 MM-Set VP 10-500

for repairs in high temperature range

1x	<b>VP 10-500, paste</b>	<b>650 g</b>
1x	Hardener VP 10-500, paste	650 g
1x	MM-Degreaser C, liquid	250 ml
1x	Measuring spoon VP 10-500	set
3x	Mixing cup	pc
1x	Mixing stick (stainless steel)	pc
1x	Mixing plate (synthetic material)	20 x 12 cm
5x	Fabric mat (glass fibre)	30 x 40 cm
1x	Fabric tape (stainless steel)	30 x 10 cm
1x	Application roller	pc
1x	Temperature indicator (one-way)	15 pc
3x	Gloves (one-way)	set
1x	Instructions (laminated)	pc
1x	Box	pc
